

# COMBERTON PARISH COUNCIL

I hereby give notice that, as previously arranged, the Meeting of the Parish Council will be held on  
**Wednesday 13 February 2019 in the Village Hall at 7.30pm.**

*The Public and Press are cordially invited to be present.*

All members of the Council are hereby summoned to attend for the purpose of considering and resolving upon the business to be transacted at the meeting as set out below.

LG  Gail Stoehr, Clerk  
06/02/19

## AGENDA

### **Greater Cambridge Partnership Team – Presentation on Cambourne to Cambridge busway better public transport project**

#### **1. Apologies for absence and declaration of interests and to note resignation**

- 1.1 To receive written apologies for absence and reasons
- 1.2 To receive declarations of interests from councillors on items on the agenda and details of any dispensations held
- 1.3 To receive written requests for dispensations for interests and to grant any requests for dispensation as appropriate (if any)

#### **Comments & observations from members of the public & County and District Cllr reports**

#### **2. To approve the minutes of the previous meeting**

#### **3. Matters arising or carried forward from the last meeting or a previous meeting for discussion or decision and to note the Clerk's report**

- 3.1 (Open) Cambourne to Cambridge busway proposals – to consider whether any action is required
- 3.2 (3.1) Pond water levels – to consider quotations for lining the pond <sup>(LT)</sup>
- 3.3 (3.3) To consider the Handyman and Recreation Ground Co-ordinator vacancies <sup>(HG, TS)</sup>
- 3.4 (3.3) To consider arrangements for the operation of Sports Club bookings and facilities <sup>(TS)</sup>
- 3.5 (5.4) Assets walk - to consider quotations for the play equipment items if received
- 3.6 Unlawful planting at The Valley – to consider the next steps
- 3.7 (5.1) Damage to verges in Swaynes Lane – to note

#### **4. Planning applications received**

- 4.1 S/0058/19/FL – Site adjacent to 69 Long Road – Construction of 4 no. residential dwellings
- 4.2 S/0122/19/PA – Barn at Church Lane – Prior approval of change of use from agricultural to 5 no. dwelling houses and associated operational development

#### **5. Finance, procedure & risk assessment**

- 5.1 To receive the finance report and to approve the payment of bills
- 5.2 Clerk report on any use of delegated powers and action taken due to risk

#### **6. To receive reports and items from committees, working groups and members for information only unless specified**

- 6.1 East West Rail Cambridge-Oxford rail link consultation <sup>(HG)</sup>
- 6.2 RWG report and recommendations including
  - 6.2.1 Resident complaint about golf and dog mess on the recreation ground extension

#### **7. To consider matters arising out of correspondence/communications received**

- 7.1 SCDC – Bennell Farm Public Open Space – request for Parish Council's views
- 7.2 Resident – footpaths in Comberton
- 7.3 Cambridgeshire Search and Rescue – Grant application
- 7.4. Complaint from the Hillfield Road Residents' Group -
  - 7.4.1 that their communications did not receive the attention that they deserve
  - 7.4.2 that the Parish Council did not consult as required by S3 of the LGA 1999"

#### **8. Closure of meeting**

---

*Initials in brackets adjacent to an item indicate the member who has tabled this item or is expected to report. Numbers in brackets before an item indicate the minute reference from the last or previous meeting when this matter was tabled.*

Mrs Gail Stoehr, Clerk to Comberton Parish Council, 30 West Drive, Highfields Caldecote, CB23 7NY

Tel: 01223 264553

## Clerk report to Comberton Parish Council meeting on 13 February 2019

Where I have information to support the agenda this is below.

The Greater Cambridge Partnership Cambourne to Cambridge better public transport project team will attend to make a presentation.

1. Apologies will be reported to the meeting.  
Caragh Urquhart has resigned from the Parish Council.
2. To approve the minutes of the meeting on 9 January 2019 - attached
3. Matters arising
  - 3.1 (Open) Greater Cambridge Partnership Cambourne to Cambridge better public transport project – to consider whether any action is required
  - 3.2 (3.1) Pond water levels – to consider quotations for lining the pond  
Deferred at the last meeting. Cllr Tatnell to report.
  - 3.3 (3.3) To consider the Handyman vacancy  
Cllrs Griffiths and Scott to report.
  - 3.4 (3.3) To consider arrangements for the operation of Sports Club bookings and facilities  
Proposed at the last meeting.
  - 3.5 (5.4) Assets walk – to consider quotations for the play equipment items if received  
Quotations will be brought to the meeting if received.
  - 3.6 Unlawful planting in The Valley – to consider the next steps  
The Council to decide what action to take if the planting has still not been removed.

Other to note:

Outcome of Barton Greenway consultation

“Greater Cambridge Partnership Barton and Haslingfield Greenways consultation results.

Last summer we set out to gather the views of residents on proposed plans to create new and improved cycle, walking and equestrian routes from Barton and Haslingfield into Cambridge.

Having now analysed the responses from this consultation, the results are now available to view in reports via our website:

- Barton:  
<https://www.greatercambridge.org.uk/download/7188/Barton%20Greenway%20consultation%20report.docx?type=inline>
- Haslingfield:  
<https://www.greatercambridge.org.uk/download/7192/Haslingfield%20Greenway%20consultation%20report.docx?type=inline>

If you have any questions or would like to discuss either of the consultation results, please reply to this email to get in touch.

Further information on the Greenways can be found here:

<https://www.greatercambridge.org.uk/transport/transport-projects/greenways/>

*On behalf of The Greater Cambridge Partnership”*

- 3.7 (5.1) Damage to verges in Swaynes Lane – to note  
Simeon Carroll of CCC has written:

“I had a look at this last Friday and spoke to the builders (Box and Defeo) working at no 89 asking them to take care to avoid the verges when using the road however there

are also other builders operating in Bush Close who might also be responsible as well as any delivery van using the road! I also asked one of the builders at no 89 to tidy of the verge opposite their site which they said they would do but I can't ask them to do anymore. Unfortunately this kind of damage is ubiquitous especially at this time of year and CCC does not have the means to repair every section of verge damage and over run, particularly when it could be damaged again the following day. Generally come spring the grass goes back and the verges recover but if residents are keen to repair their own verges then I would encourage this."

Simeon Carroll

Local Highway Officer

4. Planning applications received

4.1 S/0058/19/FL – Site adjacent to 69 Long Road – Construction of 4 no. residential dwellings

Cllr McCabe writes:

"I have received a planning application for 4 houses on one plot. The Planning Committee only has delegated powers to consider applications of a maximum of 2 on one plot so it will need to go to a full PC meeting."

4.2 S/0122/19/PA – Barn at Church Lane – Prior approval of change of use from agricultural to 5 no. dwelling houses and associated operational development

Cllr McCabe writes:

"This application being for up to 5 houses it too will need to go to full Council. The proposal refers to change of use to a dwelling house."

5. Finance

5.1 To receive the finance report and to approve the payment of bills – attached.

5.2 Clerk's report on any use of delegated powers

None at the time of writing.

6. To receive reports and items from committees, working groups and members for information only unless specified

6.1 East West Rail Cambridge-Oxford rail link consultation

Press release from SCDC below:

"Communities urged to have their say on Cambridge-Oxford rail link  
Councillors are urging communities to have their say on proposed routes a new railway line between Cambridge and Oxford may take across South Cambridgeshire.

Leading Councillors have said the new railway link plays an important part in maintaining a thriving economy in South Cambridgeshire and will genuinely open up employment opportunities as Oxford can be reached in just 70 minutes on the train.

Routes for consultation published today (Monday 28 January) by East West Rail include options that could include a new station near Cambourne or Bassingbourn. South Cambridgeshire District Council will be responding to the consultation after debating it at a Cabinet meeting on 6 March.

The Council wrote to the Government and promoters of the railway following a Council meeting in September to call on them to give the environment full and through consideration when selecting the route.

Councillors supported a motion in September that said that the railway line “presents us with an unprecedented opportunity to make positive contributions to net biodiversity and natural capital gains”.

At the time Councillors said that they fully support the railway line as it will be transformational to the regional economy, but want to see issues such as flood management, noise and air pollution and health taken into consideration from the start of the project, so they are fully considered when selecting the route.

They have also said that the route assessment must also be based on how it can support thousands of new jobs and homes already planned for the area in the Council’s Local Plan.

Councillors are urging people to make sure they have their say during the consultation and recognise that the information published raises a lot of questions they will be asking the promoters on behalf of communities.

Cllr Aidan Van de Weyer, South Cambridgeshire District Council’s Deputy Leader, said: “The new railway line is important to the area as we need genuine alternatives to the car to help people to get around for work and leisure. It also opens up a huge part of the country to our residents where no direct and fast public transport links have been available. The information published raises many questions for me, such as how the wide areas they have provided as potential routes will be narrowed down, what level crossings will be needed, will any roads need to be closed and where will stations be located?”

“We have a huge opportunity to deliver a fantastic transport link whilst also making sure that the route delivers a positive environmental legacy too. We want South Cambridgeshire to be green to its core and will be making sure the importance of the highest environmental standards is made crystal clear.

“We will be making sure the views of our communities are heard by responding to the consultation, but I want to urge everyone locally to have their say.”

To find out more about the Cambridge to Oxford railway proposals and routes for consultation, visit <https://eastwestrail.co.uk/haveyoursay> “

## 6.2 RWG report and recommendations including:

### 6.2.1 Resident complaint about golf and dog mess on the recreation ground extension

A resident has written:

“I went down to the rec on the afternoon of 27th December to play football with my son and there was someone playing golf. I did ask him to stop as he was taking divots out of the U8 pitch. He just looked at me without saying anything. He then continued playing from the hedge side, see photo. Simon Moffat then came onto the rec and spoke to him for a while; he then left.

The attached photos also show an example of a divot he left, plus a tee left sticking out of the ground adjacent to a football pitch.

I recognise him, as I have seen him down the pub.

Eversden have a sign up on their rec saying no golf.

There is also the continuing issue of dog mess on the rec extension - our football rolled over the one left near the goal on the 27th Dec. There were at least 2 other foulings on the rec I saw on 2 visits this last week. Many Parish Councils ban dogs from their recreation grounds (Eversden, Longstanton and Cottenham are 3 we have played at recently)

At the next meeting, please can the Parish Council discuss:

A sign to ban golf from the rec.

What action it will take to keep the recreation ground free of dog mess.”

7. Correspondence

7.1 SCDC – Bennell Farm Public Open Space – request for Parish Council’s views

“I am writing with regards the Bennell Farm development in the Parish of Toft. Planning permission has now been issued for the reserved matters application (S/4552/17/RM).

As part of this process the Council has also approved the layout, landscaping and play area details. I have attached the approved layout plan that shows the areas to be considered for adoption (which are those highlighted in light green and dark green only). The area hatched is the attenuation basin under which a water storage tank will be located. I have also attached plans relating to the play area.

Under the terms of the section 106 agreement dated 21/12/2017 the Owner is required to submit 'schemes' to the Council in relation to the landscaping areas and the play area. These 'schemes' will contain details relating to the timetable for the areas to be delivered and the maintenance arrangements of those areas. These details are required to be submitted for approval prior to commencement of development. Separately the Owner is required to offer to the Parish Council the landscaping areas and the play area.

Clearly it is in the interest of all parties to understand the views of the Parish Council at the earliest stage such that, if the Parish Council were to adopt the landscaping areas and the play area, then the views of the Parish Council will be incorporated into the 'schemes' to be submitted. It also helps the Owner understanding what any management company would be required to be responsible for.

The reason I am writing to Comberton Parish Council is that the section 106 agreement is worded that would allow the open space land being offered to both Toft and Comberton Parish Council. I have recently spoken with Toft Parish Council who I understand discussed this at the December Parish Council meeting and have declined to adopt the area.

Under such circumstances I am seeking to understand the views of Comberton Parish Council and I would be grateful if Comberton Parish Council could discuss this at the next Parish meeting and let me know what has been decided.

Please let me know if you have any questions.”

James Fisher | Section 106 Officer

7.2 Resident – footpaths in Comberton

“I am writing with regard to Comberton footpaths. I organise the local Walking for Health, Comberton Walkers group, which meets weekly in the village supported by both the GP’s surgery and South Cambs DC, and encourages people of all abilities to get fitter through walking.

It is now almost impossible to walk from the main road up the Drift. Since the water people dug up an area outside of Watts Wood, and just left the soil loose, that has become a mud patch the width of the Drift and although the hedges have been cut back it is very difficult to get round. Also beyond Watts Wood there seems to have been a lot of vehicle damage to the surface which will only remain even after the winter months as a very ‘gullied’ and difficult surface. As the Drift is the only way to gain access to the village amenity of Watts Wood the surface makes it impossible for those with limited mobility to do so, or for visitors to our village.

The footpath which leads from the recreation ground to Green End can also become very muddy and slippery and well over a year ago I was told by a Parish Council member that there would be at least some bark spread on this. I notice that the path round the edge of the Meridian playing field has been covered in hard chipping which makes such a difference and is appreciated as are a couple of other areas in the recreation ground. The bottom end of the Drift was also repaired in this way some time ago which made a difference.

Is it possible for the Parish Council to address these areas as we have a lovely village, with few footpaths, and wouldn’t it be good to maintain these for the use and enjoyment of residents as well as the many visitors we have?

The walking group also takes the village appearance seriously and we regularly pick up litter along the way both on the roadsides and particularly in Watts Wood. I would appreciate your consideration of the above and your comments.”

The Acting Clerk replied:

“The Parish Council is working with the County Council and the Water Company to rectify the damaged surface following the water leak and it is hoped that this will be completed shortly.

The Parish Council has asked the Probation Team to spread some hard chippings on the Drift to improve the surface (I’m not sure how far up the drift this will go) we are just in the process of sourcing the materials.

I have not heard anything about the Green end to Rec path, the Council will need to discuss this in February.”

The resident later added:

“I am pleased that steps are being taken to rectify the damaged surface on the Drift and that some more improvements will be happening with hard chippings. I am aware that some of the traffic which churns up the surface is not just farm vehicles, is there any way that there could be a barrier at a reasonable place which would stop other than essential traffic using the Drift and thus save some of the eroding of the surface?”

7.3 Cambridgeshire Search and Rescue – Grant application  
Attached.

- 7.4. Complaint from the Hillfield Road Residents' Group -
  - 7.4.1 that their communications did not receive the attention that they deserve
  - 7.4.2 that the Parish Council did not consult as required by S3 of the LGA 1999"  
Correspondence has been circulated by the Residents' Group to each Councillor.
8. Closure of meeting

## COMBERTON PC FINANCIAL REPORT

Feb-19

### Summary of Month

Balance brought forward		£	225,448.59
<b>Adjusts/transfs/inc during period</b>

*Late invoices will be brought to the meeting*

# COMBERTON PARISH COUNCIL

## PROCEDURE FOR GRANT AID TO LOCAL ORGANISATIONS

### 1. Introduction

Comberton Parish Council grants are made for the benefit of people and projects local to Comberton. Applications will be considered for financial assistance towards a specific project or activity from community associations, cultural, educational, sporting and charitable organisations. These should be non-commercial and whose membership and field of activity is centred in the area covered by Comberton Parish Council.

Applications are considered in April to provide grants to cultural, sporting and community groups serving Comberton. The Council is prevented by statute from giving financial assistance to individuals.

### 2. Council aims

- To enable local people to participate in voluntary groups and activities.
- To help the village's voluntary groups to improve effectiveness.
- To ensure the provision of services, needed by the village's residents, via the voluntary sector.
- To support organisations which meet the needs of people experiencing social and economic difficulties.
- To ensure that there is equality of access and opportunity for all village residents to the services it provides and funds.

(The Parish Council defines a voluntary group as a non-profit making organisation, set up and run by a voluntary, unpaid management committee.)

### 3. Capital projects (special projects)

As a general rule the Council will apply a scale of up to one third of costs for projects up to the current maximum amount of grant aid of £10,000 with the following priorities:

1. Projects for the provision of facilities where none currently exists.
2. Projects for the replacement of provision which has come to the end of its natural life.
3. Projects for the improvement or replacement of existing facilities.

### 4. Revenue grants (general grants)

Small grants can be made available to assist with purchase of equipment or the provision of services and, in exceptional cases, to help with operating costs. This latter point may be beneficial during the start-up phase of new group or project.

Applicants must:

- be 'not for profit' organisations
- be operating within Comberton and must demonstrate a need for the service within the community
- be properly managed and able to demonstrate that they can achieve the objectives which the grant is supporting
- be prepared to provide detailed financial information.

## 5. Parish Council criteria

- Grants are made only to organisations or clubs meeting the needs of residents of Comberton.
- Grants are made only to non-profit making organisations or projects.
- Applicants should apply to all other relevant statutory bodies and show evidence of their own fund-raising.
- All applicants must provide annual accounts and a copy of the group's constitution to support their application. Balances held by the organisation will be taken into consideration when deciding levels of grant aid. **If annual accounts are not included, the Parish Council Grants Committee will not be able to consider your application.**

**Grant aid money will only be released against proof of expenditure for the approved project.**

## 6. Timetable for applications

4<sup>th</sup> December

Date by which applications should be received.

January

Council will consider the amount of funding it will make available in its budget.

April

Parish Council Meeting to consider applications

Following the meeting applicants will be informed of decisions and grants will be available for successful applicants (subject to any special conditions).

Approved grants will then be valid until the end of the financial year following the approval. If not taken up by 31<sup>st</sup> March following approval, the grant will be lost and reapplication necessary, unless a deadline change has been agreed with the Parish Council.

# GRANT APPLICATION FOR FINANCIAL ASSISTANCE FROM COMBERTON PARISH COUNCIL

**Please note – applications will only be considered if accompanied by a copy of up to date accounts and your group’s constitution.**

<b>1</b>	<b>Name of Organisation:</b>	Cambridgeshire Search and Rescue (CamSAR)
<b>2</b>	<b>Name and address of correspondent (and office held):</b>	Kristine McLaughlin c/o March Fire Station Wisbech Road March PE15 8ED
<b>3</b>	<b>What are the objectives of your organisation?</b>	We are the Lowland Rescue Unit, established in 2006, covering Cambs county and often assisting sister teams in the wider region. We are a specialist team, called upon by the Police to assist in the search for vulnerable missing people; this could be a child, an elderly person suffering from dementia or someone considering taking their own life. In each case, an emergency response is vital. Our Search Technicians, Team Leaders, Search Planners, Support Team & Operations and Search Managers turn out 24 hours a day, 7 days a week, 52 weeks a year to respond to the call. We are made up entirely of volunteers; we receive no Government funding, but rely totally on grants, fund-raising activities, individual or Corporate donations plus our members' own pockets to continue to provide our service.
<b>4</b>	<b>Amount of grant applied for</b>	£ 300
<b>5</b>	<b>What is the total cost of your project/event?</b>	£4000 approximately
<b>6</b>	<b>If the total cost is more than the grant applied for how will the difference be funded?</b>	We will continue to request grants and carry out fund raising activities.
<b>7</b>	<b>If you have unspent balances in your bank account why do you need this grant?</b>	We will always need funding to fully equip our members in order to continue to function as a safe and effective service.
<b>8</b>	<b>Have you applied for grant aid to any other organisation (including local authorities)? If so, to whom (please give details of the decision on your application):</b>	Please see attached form
<b>9</b>	<b>Purpose for which the money will be used. Please explain clearly and simply how this grant will contribute to the village:</b>	On average we respond to 50 calls annually for assistance in finding vulnerable missing persons; we do not envisage that number to decrease. For missing people we work directly under the directive of Cambridge Constabulary and offer our vital professional service any time day or night. The organisation costs between £15,000 and £20,000 annually and as explained, we receive no Government funding. Any money donated would go towards supporting the running of the team by specifically helping with the purchase of equipment to ensure our life-saving work continues. We require equipment as listed on the document sent with this application. As an organisation we are very proud that we are a completely voluntary body, run by active members of the team and that no person receives any financial gain. Specifically for Comberton, we were called to assist with a missing person in October 2017.

<p><b>10 What sections of the community will benefit most from this grant?</b></p> <p>Any missing person will (and has) benefitted from our organisation; with successful fund raising we can continue to provide our service and assist when necessary.</p>
<p><b>11 Is there anything else you wish the Parish Council to take into account when considering this application?</b> No</p>
<p><b>12 Bank Details (if Grant approved will be paid directly)</b></p> <p><b>Bank / Building Society Name:</b> HSBC</p> <p><b>Account Number:</b> 01604163</p> <p><b>Sort Code:</b> 40-26-11</p> <p><b>Account Name:</b> Cambridgeshire Search and Rescue</p>
<p><b>Application Signed:</b> Completed electronically by Anne Ninham, Administrative Support</p> <p>Please contact Kristine McLaughlin as above re outcome of this application</p> <p><b>Application Date:</b> 4th February 2019</p>
<p><b>For Comberton Parish Council Use:</b></p> <p><b>Recommendation:</b></p> <p><b>Parish Council Meeting Decision:</b></p> <p><b>Proof of expenditure received:</b></p> <p><b>Grant paid:</b></p>

### Parish/Town Council applications 2018/19

To the best of my knowledge:

All applications were for £300 except Yaxley which was for £150

Successful applications:

<b>Name of organisation applied to</b>	<b>Date of Application</b>	<b>Amount Received</b>
Stretham Parish Council	June 2018	£150
Wisbech Town Council	June 2018	£300
Cheveley PC	June 2018	£150
March	July 2018	£250
Orton Waterville	June 2018	£292.60
Sawston	July 2018	£250
Chatteris	August 2018	£100
Elm	September 2018	£300
Histon & Impington	October 2018	£100
Ely	July 2018	£300
Yaxley	December 2018	150

Unsuccessful applications:

<b>Name of organisation applied to</b>	<b>Date of Application</b>
Caldecote	July 2018
Gamlingay	24/10/18
Sawtry	31/8/18
Haddenham & Aldreth	01/03/2018 (informed 15/11/18)
Melbourn	24/10/18
Cottenham	23/10/18
Little Downham	December 2018 (not sent in end as funding not permitted)
Houghton and Wyton	July 2018

Awaiting decision:

<b>Name of organisation applied to</b>	<b>Date of Application</b>
Cambourne	10/7/18
Great Shelford	12/11/18
Haddenham & Aldreth	March 18
Hemingford Abbots	21/8/18
Linton	31/8/18
Histon	17/10/18
Yaxley	10/12/18
